Dear Bob:

Attached is a copy of a letter dated May 12, 1959, that I received from C. D. Jackson. It is in his inimitable style and probably intended only for my eyes.

I enclose the original of a letter received from [Redacted] following a visit
of [Redacted] with me a few days ago.

STAT

I told [Redacted] that this question of travel to China was not in my province and that they should submit their application to the State Department which I believe they plan to do. I did tell the [Redacted] that I would pass on to the Department the request they made of me orally and which they have now confirmed in writing. In my reply I am advising them of the action I have taken. I may add that I gave no encouragement one way or the other as regards the possibility of getting a passport to China and the likelihood of securing the Chicom visa. I did tell them that evidence of previous association with reporting from China might be one element which would be considered in connection with their application.

"On the occasion of the memorial meeting in honor of the late Honorable American Secretary of State, John Foster Dulles, held in Tokyo on the 9th day of September, 1959, which corresponds in Tokyo time with the 8th anniversary of the signing of the peace treaty in San Francisco and in grateful recollection of the great services rendered by him for the cause of world peace and especially for his superb efforts in concluding the peace treaty in Japan, we, assembled in Hibiya Public Hall, join in expression of profound gratitude to the memory of the late Secretary of State and in prayer for his repose in eternal peace and for the welfare of the members of the bereaved family.

"9th September, 1959, at Hibiya Public Hall, the Dulles Memorial meeting. (Signed Shigeru Yoshida, Chairman, Dulles Memorial meeting committee.)"
